Why Nandadeep School of Optometry?

Nandadeep Eye Hospital is a NABH-accredited group of tertiary eye care hospitals in sangli, Kolhapur, Ratnagiri, Belagavi, Pune, Ichalkaraji and Mulund.

- It was founded by Dr. Dileep Chintaman Patwardhan in the year 1980.
- In 1983 he started implanting Intraocular lenses, one of the first few to start. He started doing microsurgeries with use of a microscope.

Principal's Message

"We aim to equip the budding Optometrists with the most recent technological and academic knowledge and training to keep up with the global standard of Optometry."

- 43 glorious Years of service
- A trustworthy institution (formerly known as Prof. CR Patwardhan School of Optometry) giving opportunities and wings to Optometry careers for the last 10 years
- Now affiliated under the State Government Medical University is the prestigious Maharashtra University of Health Sciences (MUHS), Nashik
- NABH accredited "Nandadeep Eye Hospital" is a promising institute that consistently provides a platform for exploring skills of budding optometrists with sufficient hands-on training under experienced supervision and didactic lectures
- Research opportunities
- Well-experienced and devoted faculties
- 100 percent placement

In 2010,

Dr. Sourabh Dileep Patwardhan

joined Nandadeep Eye Hospital.

He has an illustrious academic career.

Dr. Sourabh D Patwardhan,

The medical Director, has keen interest in retinal surgeries, glaucoma and eye diseases of children. He has also specialized in advanced phaco technology. He has expertise in managing difficult cases of cataract. Within few years Nandadeep Eye Hospital has become apex institute for diabetic retinopathy and retinal diseases management.
